

# Fredericksburg Classic and Muscle Car Club

## Monthly Newsletter

Fredericksburg, Virginia

FEBRUARY 2011

### President's Pen

2011 is well under way and the Club already has a number of events that it will be supporting. On April 9, Burton's Automotive in Stafford will be hosting its first annual Spring Dust-Off Car Show, with FCMCC serving as the host club. I want to encourage FCMCC members and their friends to bring out their cars for this event, where a portion of the proceeds will come back into the Club to support our charitable work. The Club will again participate in the United States Marine Corps "Historic Half" Marathon on May 15<sup>th</sup> in Fredericksburg. We look forward to another great event this year, as FCMCC has supported this event in prior years. I am encouraged by the increase in attendance at our monthly meetings, as well as the number of people participating in the planning of future FCMCC events. Come on out on March 8 and help shape the future of FCMCC.

### 2011 Cruise-Ins

Our 2011 cruise-in season starts on March 25 at 5:00pm at the Virginia BBQ location in Fredericksburg. Come out and join us for our Kickoff 2011 Celebration Cruise as we get the 2011 season rolling. As always: cruise-ins are weather permitting. Updates will be provided on our website at [www.fcmcc.org](http://www.fcmcc.org) should the weather threaten our fun!

### 2011 Collector Car Appreciation Day

The second annual Collector Car Appreciation Day will be observed on July 8, 2011. This year, the regular Friday night cruise-in at Virginia BBQ on this special day will be an extravaganza event. Mark your calendar now as we will have special prizes and trophies, attractions for the kids and a world-renown "live" band will be performing in the parking lot at VA BBQ. You will not want to miss this very special cruise-in as part of the 2011 season.

### Membership Meetings

Membership meetings are held every 2<sup>nd</sup> Tuesday of the month at the Virginia BBQ location in Fredericksburg, starting at 7pm. The next meeting is scheduled for March 8 at 7pm.

### Rappahannock Mattress Company

Rappahannock Mattress Company celebrated its **Grand Opening** in Fredericksburg during the February 19-21 weekend. The Fredericksburg Classic and Muscle Car Club was present in force to help out with the Grand Opening. Over 15 members participated on Saturday, February 19 from 11:00am - 3:00pm by displaying their cars for visitors to the Grand Opening. Perry Sproul, president of Rappahannock Mattress Company, was very appreciative of the Club's support. "We appreciate the Fredericksburg Classic and Muscle Car Club bringing their cars out to our Grand Opening. I am really looking forward to having the Club here with Virginia BBQ every Friday night this summer." Kendra Harvey, vice president of the Club stated, "Helping local businesses and others in our community is what this club is all about. I can't wait for summer to get here so that we can support more of these kinds of activities!"
